## 2. Maintenance and Grounds (M&G) Issues –

### a. Follow-up from last meeting –

The July 2013 Action Item Tracking Sheet was reviewed and completed items were removed.

Fire Alarm System – The fire alarm monitoring system has been approved by the City of Federal Way. We are now awaiting installation.

Security Camera System – The system been installed and is operational. Trash and stolen car dumpers have been identified.

### b. New Items –

The August 2013 Action Item Tracking Sheet was prepared.

Frank reported that the pool had to be shut down for a few hours due to unbalanced pH. Acid was added to the water.

The janitorial contract needs to be revised to include detailed items.

Dion noted that several of the blue recycle bins are dirty and need the signage replaced.

3. Communication Issues – The latest changes to the website were discussed.
4. Community Watch Status – An e-mail was started to solicit ideas for security and community watch. We will continue to work on getting an active group going.
5. New committee members – We still need new Committee members from Buildings 1, 2, and 4.
6. Adjourned –8:15 PM
